

TIPS for parents and teachers

M2W4 PUZZLE ANSWERS

This month's train car, ready for your heart graffiti. Are you adding to the train in your classroom?

This month we will be focusing not only on who Jesus is, but also on the ways we are to be like Him. To reinforce the memory verse for the month, spend some time talking about **growth**. How did Jesus **grow** in wisdom and stature and in favor with God and men? The perfect human still had to grow just as we have to, and in every aspect of who we are. To visualize this, plant some quick growing seeds this week. Talk about the care that they are going to need: seed, soil, sun, water, a protected environment, and some attention and care to make sure it gets all of those. How do we need the same thing? How do we make sure that we have the right conditions for growth? What is the spiritual source of sun, water, and air? How are we protected? Who makes sure that we are getting what we need? Check back on your plants every week for the month. If they die, don't worry, that is a lesson in itself!
